 Durant Road Musical Theatre is pleased to offer the following enrichment classes for the fall. Each dance class is 8 weeks long. **No recital, just pure instruction and development!** All classes will include warm up, center work, cross floor exercises, and choreography. Our goal is to educate and develop minds and bodies through the art of dance in a fun and safe environment. **Broadway Jazz** will incorporate the combination of Ballet, Jazz and modern dance styles sometimes incorporating the use of theater props. Choreography and Movement that blend with acting and singing. **Tap Dance** will give the student a solid foundation of Tap technique and vocabulary. Tap dance is an important element of Musical Theater as it develops rhythm, timing, coordination and enhances musicality in performers. Great for beginners and as a refresher for those tappers who are working on increased speed, precision and clarity.
