CONGRATULATIONS!!

On behalf of the Raleigh City Council and more than 403,000 residents of Raleigh I would like to congratulate the **Durant Road Musical Theatre** on your recent award for "Best Overall Production" at the 2011 Junior Theatre Festival held in Atlanta, Georgia, January 14th – 16th. As you had the opportunity to meet and compete with theatre groups from across the country, we thank you for representing the city of Raleigh in such a positive manner.

It is exciting for us to see the youth in our area set high standards, work toward meeting those standards and see their hard work rewarded. Your achievements have set great examples to those around you, both peers and adults.

As Mayor of the City of Raleigh, I am keenly interested in the accomplishments of our young people. Again, congratulations and we wish you many more years of continued success!

With best wishes,

Charles Meeker
Mayor
